Tear mon * Dad,

We got your letter with the
pictures and thought they turned
out very well. norm and blazel
factoren were bere last Saturday
and sow the pictures. norm
thought Stad looked like archie
Bunker in the top photo. We
certainly had a great time and
hope we can go on a drive
next summer when we come out
for a visit.

We had a few people over for a party on Friday night. The fackrois were here bottenday night. Sunday wight. Sunday were there bottenday night. Sunday were week to the tennic townsment and some Chris Event lose. So we have been bring and have done a lot of cooping as well. The weather has been very cold with 3 snowfalls this week and low temperatures. The thermometer is at 11° as I am writing this letter.

n-ext monday dim leaving for San Diego. On mys veturn I'll meet Vichie in miami and we will fly over its Freeport in the Bahamas for three days, It will be a welcome change in environment! ating the sop you got the prints we sent and can find some obscure corner to put them in. of course, many gets are if you can decide on which to keep. two or phorosof line out early in degest although tion of proof gota from p my contractor in Richland. have, fin & Vickie
